Re: **CONTINUED UPDATE RE: COVID-19**

**Care Center Update:**

**Reopening Plans:**

**Visitation:** On Monday, August 10, 2020, the Care Center, both Skilled (SK) and Personal Care (PC) will be starting the 14-day countdown until scheduled, supervised visitation can begin pursuant to our Reopening Plan posted on the Dunwoody website. If we remain COVID-19 free – no cases of COVID-19 identified among residents or staff – we will plan to start visitation on Monday, August 24. Again, please refer to the visitation guidelines as outlined in the Reopening Plans, and keep an eye on the website for additional updates and information as we move closer to August 24.

**Salon Services:** We are finalizing safety policies for SK and PC residents to return to the beauty salon. These policies will be finalized on Monday, August 10<sup>th</sup>, and we plan to start appointments on Wednesday, 8/12/2020. Properly fitted masks (covering nose and mouth) must be worn at all times in the beauty salon, or you cannot be serviced. Please keep in mind that many residents are in need of hair care services; it will take several weeks to be able to accommodate those wanting to schedule an appointment. We appreciate your patience! More information will follow shortly.

**Important: Should we have any new COVID-19 cases, plans for visitation and beauty salon services will be immediately discontinued and placed on hold.**

**Residential Updates:**

Please remember to follow the guidelines delivered last week and posted on our website: [www.dunwoody.org](http://www.dunwoody.org). We will update the guidelines as we move forward.

**Recycling:** The Dunwoody bags in which your meals are delivered are 100% recyclable. John Alberici contacted the supplier to confirm.

Garden Notes from Dolores Broberg: Mrs. Broberg recently attended an excellent webinar “Lawns into Meadows” by author Owen Wormser. For gardeners who have the climate at heart, she suggests visiting [www.greenamerica.org](http://www.greenamerica.org) for pertinent and doable projects and educational webinars.

Re: Upcoming Channel 1970 Programs, etc.

As we move toward the fall and continue to be corona virus free, I'm increasingly thinking about how we can return as many DVRA committee activities as possible to some semblance of normal. In a first step, last week we conducted a Committee Chairs meeting via Zoom, the first time this committee has met since March. It worked reasonably well, and we had about 18 in attendance. Some people had difficulty getting in, but we were able to resolve most of those issues. A few committee chairs lacked either the equipment or the knowledge to get in at all, underscoring the need for enhanced technology support for residents as we move forward. Trevor and Kathy Weiss are busily compiling the results of the Information Technology questionnaires, and the results will go to Kathy Barton later this month when she returns from vacation. We were very pleased with the large number of responses (201 – wow!), which will provide much needed insight into the scope and extent of computer use among our residents, as well as their perceived needs.

If you get tired of sending emails to people or attending Zoom meetings, you can always watch Channel 1970. This week the movies will include "A Shot in the Dark" (a Pink Panther film), the musical "Camelot", and "Parasite" (classified as a comedy, drama, thriller). In the evenings "Baseball", "The West Wing", and "Alaska" all continue. On Wednesday evening the Kingston Chamber Music Festival continues. The afternoons feature the "John Adams" docudrama on Monday, Wednesday, and Friday, interspersed with "Fawlty Towers" on Tuesday and "Downton Abbey" on Thursday. In the mornings there are a few new wrinkles to the exercise classes. Marc is not teaching this week, and there will be no classes on Thursday, as Bonnie is on vacation. Also, she wants us to tell you that **all Dunwoody residents may sign out weights, balls, bands and mats at the Fitness Center with Betty. However, once the Fitness Center is open again, you will need to return borrowed equipment.**

**PLEASE TURN OVER TO SEE THE 1970 SCHEDULE FOR NEXT WEEK**
