Care Center Updates:

Visitations: To schedule a window visitation for Skilled or Personal Care residents, please contact Jennifer Barrall, Dunwoody at Home Office Manager, to schedule the visit. Jennifer may be reached at 610-359-4445 or jbarrall@dunwoody.org. Hopefully, we will soon be able to return to on-site visitation for the Care Center.

COVID-19 Testing:

For the week of October 26 – 30, 2020: All Care Center residents tested were negative. Of all Care Center staff tested, one who tested positive is at home in isolation and is being monitored. All others tests returned are negative; a few are still pending. We again began testing all Care Center residents and staff on Monday, November 2 and will provide results as received.

In accordance with the Department of Medicare and Medicaid Services (CMS) requirements:

Care Center regulations and visitation will remain at Phase I Reopening (as posted to our website on Friday, September 25, 2020) until all staff and residents continue to test negative for a 14-day period. We will test on a weekly basis until there is a 14-day window where there are no positive results.

Residential Updates:

Important Notice:

If you have not driven your car recently, please take a few minutes to turn it on to check that it is working properly. An employee and a resident have reported that the catalytic converter has been stolen from their parked cars. If the catalytic converter is removed, the car makes a loud rumbling noise when you start the car.

Visitation, Including *Essential Services*:

Please remember: unless deemed essential and pre-approved by Administration, NO visitation of any kind (including family members or outside vendors) is currently permitted in any of our residents' apartments, country houses or Penrose carriage homes.

Masks:

Please remember to wear a properly fitted mask whenever someone is providing housekeeping, maintenance, or other types of service inside of your residence. Properly fitted masks must cover both the nose and mouth. If your mask is not properly fitted, it provides no protection for you or others! Clean cloth masks on a daily basis and do not wash disposable masks.

Holiday Baked Goods:

Use the attached form to order your holiday baked goods. Please return your form to the Lincoln Dining Room no later than Wednesday, November 18th.

Social Groups:

There has been a wonderful response to our men's and women's social groups. The groups are full; but, if interested, contact Erin Price at 610-707-4898 or email eprice@dunwoody.org. Erin will create a wait list and add group(s) if there is a need.

Travel Restrictions:

According to the PA Department of Health website, as of 11/02/2020, **there are now 31 states on the restricted travel list.** If you have traveled to any of these states or areas that are considered a hot spot, you are required to isolate for 14 days upon return: Alabama, Alaska, Arkansas, Colorado, Florida, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Mexico, North Carolina, North Dakota, Oklahoma, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Wisconsin, and Wyoming.

Construction Project on Channel 1970:
