Dear Residents, Families and Staff:

We are thrilled to announce the opening of waited dining in 1712. Waited dining will be open on Wednesdays and Fridays during the month of September beginning September 7th. Hours are 5:30pm until 7:00pm. Hours are limited at this time as our wait staff return to school. We continue to hire and plan to expand hours in 1712 in October. See below for more information on dining in 1712. Today, August 25th, is National Banana Split Day! Dining will serve banana splits during dinner in Hearthside. The bar will feature a banana split drink as the daily special. Come join us!

COVID-19

Two Care Center residents and 2 Residential residents tested positive and are on quarantine. Two staff members tested positive and are at home on isolation. If a Residential resident plans on visiting a friend in the Care Center who is COVID-19 positive, it will be treated as an exposure and will require testing through Health & Wellness.

Power Washing

Judge Mobil Wash has been contracted to service our community with power washing! Starting next week, the Judge company will begin to power wash patios and balconies (approximately 20 per day Monday through Friday) in the Village and Country Homes and all ground level patios in Penrose. Schedules will be provided. Personal belongings such as plants and furniture should be removed from your patio. If you are unable to remove items that are too big, the team will power wash around them.

Shredding Event

The Shredding Event for residents is currently scheduled for Friday, September 16th 9:00 a.m. – noon. Kim Green in Facilities is coordinating it and additional information will be shared in the near future.

Construction

Drywall ceilings are being framed, roughed in, and drywalled on both levels. The kitchen hood and coolers are being hooked up in the Phase 2 parts of the kitchen, and the FRP wall covering is being installed in these areas as well. As drywall is finished in the coming weeks, wood trim will be installed, and areas will be primed and first coated with paint.

Best Regards,
Maureen
