

**August 5, 2022**

Dear Residents, Families and Staff:

Congratulations to our Dunwoody Village Team!

It is with great pride and deep gratitude that I share the results of our annual Department of Health Survey for Skilled Nursing – **Deficiency Free!** Congratulations!

Three DOH surveyors arrived on Tuesday August 2<sup>nd</sup> and exited on Friday August 5<sup>th</sup> sharing our Deficiency Free results. A Deficiency Free Survey means that the surveyors found that we always follow the guidance of the Centers for Medicare (CMS) and the Department of Health (DOH). The surveyors were not able to identify any issues with our care, our documentation, our environment, our food nor our policies.

I want to recognize the efforts of Brandon Jolly, Director of Health Services, Susan Bankert, Director of Nursing and Dr. Tom Lawrence, Medical Director and the entire Skilled Nursing Team, which includes our interdisciplinary team: Nursing, Social Work, Activities, Therapy, Environmental Services, Dining, Facilities, Human Resources, Finance, Marketing, Home Care, Health and Wellness, Security, Grounds, Transportation and Mail. It truly takes a “Village” to accomplish a Deficiency Free survey...A “One Dunwoody” Village!

## **COVID-19**

There are no residents in Skilled or Personal Care who are positive for COVID-19. One Residential resident is positive and on quarantine. Two staff members have tested positive and are at home on isolation.

## **Transportation When Discharged from a Facility**

If you are discharged from a facility within a 5-mile radius of Dunwoody between 8:00 a.m. until 7:00 p.m. Monday through Friday, Dunwoody Village transportation will pick you up. Discharge transportation outside of the 5-mile radius will be available Monday through Friday 8:00 a.m. until 4:00 p.m., subject to distance. Dunwoody Transportation is not available on weekends or holidays.

If you require services during times when Dunwoody Transportation is not available, please make arrangements with a family member or friend or consider the following resources:

## **Construction**

The flat roof replacement is nearly complete and now rooftop mechanical equipment can be set in place on the curbs. In order to do this, there will be a large crane at the main entrance Tuesday and Wednesday (8/9-8/10) next week. Parking and access to the circle will be restricted, including the several handicap spots. There will also be a crane on the same days working briefly at the very end of the West Country Houses to set a new piece of mechanical equipment.

Inside the building, beginning Monday, August 8<sup>th</sup>, the Memorial Garden Hallway will be closed during the day, Monday through Friday, but open by 3:30 p.m. for dinner and evening traffic. The hallway will remain open on Saturday and Sunday. These daytime closures will last for approximately 3 weeks. The closure is to allow installing of fire protection sprinkler systems and ductwork into the trusses above the hallway. We apologize for the inconvenience and are trying to be finished in these areas as soon as possible!

Detailed information provided by Director of Facilities, Wes Kuehnle, for Tuesday, August 9<sup>th</sup>, and Wednesday, August 10<sup>th</sup> is attached.

Best regards,  
Maureen Casey
