

October 28, 2022

Dear Residents, Families & Staff:

Wow! What a wonderful Halloween Party yesterday! Creative costumes, delicious delicacies, and tantalizing trivia! A spooky fun time was had by all. Many thanks Julia, Derek, Gary, Kayla, the Dining Team, and everyone who helped to make this a great event! And thank you to the residents for being so engaged and for always being ready to have fun! The next fun event will be for staff to pass out candy in the care center in costume. Any staff member who can join in the fun should meet at 10am on October 31st in the Activities Room dressed in your best costume! Happy Halloween!

### **COVID-19**

There are currently 3 positive cases of COVID in residential living; those residents are on quarantine. There are 2 positive residents in the Care Center on quarantine. Two employees tested positive and are at home on isolation.

### **Health & Wellness**

We are trying to wrap up our seasonal flu vaccines for residents. Please come to our walk-in flu clinic Tuesday November 1st between 9:00am-11:00am. As always, please notify Health and Wellness if you've received any vaccines outside of Dunwoody Village so your health records are up to date.

### **Pool Schedule**

The swimming pool will be open from 8:00am-12noon on November 2nd, 3rd and 4th. We will be closing the pool in the afternoon on those 3 days to host the Delaware County Christian School's robotic club. This has been a fun outreach project we've supported each semester. We appreciate your cooperation with our adjusted hours.

### **Veteran's Day**

To honor our Dunwoody and nation's veterans, there will be a Flag Raising ceremony in the Memorial Garden at 11:00am on Friday, November 11th. **Following the ceremony, both resident and staff veterans are invited to a luncheon that will be held in the auditorium at 11:30 p.m.** Please notify Kayla McFadden at 610-723-4601 or [kmcfadden@dunwoody.org](mailto:kmcfadden@dunwoody.org) to let us know if you plan attend so that we can prepare for seating and service. Please notify Kayla no later than November 7th.

### **Construction**

Flooring continues on the lower level and is near completion. Doors and hardware will be installed in the coming weeks and the area will be final painted. The Bar, Grab and Go, and Bistro equipment and cabinets are being installed. Ceramic tile backsplashes will soon start in these areas as well. Ceilings in the lobby are nearing completion, and the flooring in these areas will be started in the next week. Some changes to the temporary wall at the upstairs lobby will be made; the ceilings and floors near it are completed.

Best regards,  
Maureen
