Dear Residents, Families and Staff:

Thanksgiving was originally celebrated as a day to give thanks for the previous year's harvest and, over time, evolved into a national holiday for friends and family to gather and express their gratitude for their many blessings. Hoping that this Thanksgiving Day will bring you and your family a harvest of blessings and joy, not only today, but throughout the year! We are most thankful for all of our Dunwoody residents, families, and staff. We appreciate all of your support and contributions to our Dunwoody family! Wishing you and yours a wonderful holiday.
