

February 10, 2023

Dear Residents, Families & Staff:

Thank you for honoring Bill Hohlfeld upon his retirement. He was very appreciative of the gifts, cards and well wishes that were shared with him. Although Bill is retired from his full-time employment with Dunwoody, we are thrilled to share that Bill will be staying on part-time to oversee Special Projects including: the pond project, the plateau project (putting green), electric charging stations and the Care Center gazebo project. Bill will be working with the Chairs of Sports and Games and the Wildlife Committees as well as partnering with leadership during these projects.

I am also pleased to share that Fran Meehan has accepted the position of Acting Head of Grounds. Fran has been with Dunwoody for over 7 years and has vast experience caring for our campus. Please join me in congratulating him in this new role. Currently the grounds department is comprised of Fran and Dan, but we are focused on recruiting as spring and summer is a busy time at Dunwoody. Specifically, we are recruiting Summer Interns as well as full-time grounds staff.

### **COVID-19**

Four Residential residents and one Care Center resident have tested positive for COVID-19. Two employees and 1 contract person tested positive and are at home on isolation.

### **Dining**

When dining in our *1712* venue, the only menu available is the *1712* dining menu. When dining in *Hearthside*, the only menu available is the *Hearthside* menu. When dining in *Hearthside*, you cannot order from the *1712* menu. *Fox Den* has a light bar menu available, but you are also welcome to carry your order from *Hearthside* into *Fox Den* to enjoy the atmosphere.

### **Signs and Notices – No Tape**

Please remember that it is not permissible to scotch-tape notices, signs or flyers to any of the walls, including the elevator. The scotch tape ruins the wall surface and can be difficult to remove.

### **Super Bowl Pre-Game**

The Care Center will be hosting a Pre-Game Super Bowl Party on Saturday February 11<sup>th</sup> at 3pm. There will be games, trivia and refreshments as we honor the Eagles ahead of the big game!

### **Superbowl Sunday**

The Superbowl Game will be broadcast in the Auditorium on Sunday, February 12<sup>th</sup>. Kick-off time is 6:30 pm. Light refreshments will be provided. Wear your green! E-A-G-L-E-S!

Staff are welcome to wear their Eagles Gear and their Green!

Go Birds!  
Maureen
