

April 5, 2023

Dear Residents, Staff and Families,

This is a week of very important beliefs, traditions and celebrations for many of us. Passover began at sundown last evening and lasts through April 13th. Passover is a festival celebrating the freedom of the Jewish people emerging from slavery. Families will host or attend seders, a special family meal where foods of symbolic significance commemorating the Hebrews' liberation are eaten, and prayers and traditional recitations are performed. Chag Pesach Sameach! Many other families will be celebrating the Triduum, including Holy Thursday and Good Friday. It is the period of time that traces the final days of Jesus' life and death. It culminates with Easter Sunday and a celebration of Jesus' resurrection. Happy Easter!

We wish everyone peace and joy and as you celebrate with family and friends during this special time.
