

August 31, 2023

Dear Residents, Staff and Families,

We are planning on setting up dates in September to offer influenza vaccines to residents in all 3 levels of care. We will have specific dates to announce when Phoebe pharmacy has secured the vaccines in their warehouse. We will also be offering the newest COVID vaccines when they become available. Dr. Lawrence is recommending that there be a 2-week timeframe between an Influenza and COVID vaccine. Some residents have asked about the possibility of an RSV vaccine. We are waiting on more information on that topic. As a reminder, if you receive any vaccines outside of Dunwoody Village, please report that information to the nurses in the level of care in which you reside. It is important that you maintain your health information as accurately as possible.

For staff, we do have a flu vaccination requirement and will be providing dates on employee clinics in the near future. Additionally, we will be providing employee COVID vaccination clinics when the newest vaccine becomes available.

### **Housekeeping Services**

Due to the Labor Day holiday, we will provide housekeeping services as follows:

- Monday September 4<sup>th</sup> no service. EVS is off for the Holiday
- Tuesday- Monday residents will receive Housekeeping Services
- Wednesday- Tuesday residents will receive Housekeeping Services
- Thursday – Wednesday residents will receive Housekeeping Services. Thursday residents will only receive linens -- no Housekeeping Services.
- Friday- Friday residents will receive regular Housekeeping Services

### **Health and Wellness**

The swimming pool remains closed while we wait on the delivery of a part. We apologize for the inconvenience.

### **Town Meeting**

Just a reminder that our third quarter Town Meeting is scheduled for Thursday, September 7<sup>th</sup>, at 3:30 p.m. in the Auditorium and on Channel 1970. Wine and cheese will be served immediately following the meeting.

### **COVID-19**

One Residential resident and two Care Center residents tested positive and are on quarantine. One staff member tested positive and is at home on isolation.

Enjoy this beautiful Labor Day Weekend!

Maureen
