Dear Residents, Families and Staff,

On Thursday, we will once again gather with family and friends to celebrate Thanksgiving. It is a time to share a meal, pray, relax, watch football and enjoy the people that we love. Each of us has important foods and traditions that make this holiday special. But most importantly, it is a time to reflect on our blessings and focus on all that we have personally, in our family, in our community, and in our country. We have so much for which to be thankful! Our connection to Dunwoody Village means that we that we are joined together as "One Dunwoody" and we value and acknowledge each person's contribution. Dunwoody Village is a community of warmth, kindness, and beauty. Our campus is beautiful, our buildings are beautiful and the people who make up our community are beautiful both inwardly and outwardly. How fortunate we are to share in such beauty! We are surrounded by gifts. I personally am so very grateful for each of you and the gifts you share with me and others at Dunwoody. I am thankful for your partnership, your willingness to share your talents and the care you exhibit every day. I am thankful for your positive energy and encouragement. I am thankful for your open nature, for your generosity and for your support. I am thankful for our meaningful relationships. I am grateful to be a part of Dunwoody Village and to share in this community with each of you. I wish each of you, and your families, a very Happy Thanksgiving.
