

January 5, 2024

Dear Residents, Families, and Staff:

Happy New Year! I hope you all find that 2024 is a year filled with peace and happiness for you and your families.

COVID-19

Eight Residential residents and four Care Center residents tested positive and are on quarantine. Four staff members tested positive and are at home on isolation.

If you are experiencing symptoms of illness, please report them to Health & Wellness. Please keep a supply of COVID rapid test kits in your residence in the event you are notified that you have been identified as a close contact of a resident who has tested positive.

Aquatic Classes

Beginning January 10, 2024, the Wednesday aquatic classes will begin at 9:15am, not 9am. Thank you for making note of the time change.
