The Annual Resident Cocktail Party was a huge success with a new floor plan, a delicious menu and excellent service. We thank the Board of Trustees for hosting and we thank all members of the staff who helped to make it such a lovely event. It was special to have Norma Winther, Connie Stuckert, and members of the History Committee on stage to help with the much-anticipated unveiling of the William Hood Dunwoody portrait. Both the portrait and the frame were recently restored which was a wonderful way to honor our founder during our anniversary year. Additionally, we are grateful to the members of the Event Committee, Fran Northrup, Judy Van Allen, Linda Dunton and Gerri Burton who gave valuable input to make the party even more fun! Next up, the Resident and Staff Picnic on June 12<sup>th</sup>...mark your calendar!
