Dear Residents, Families and Staff:

Pool

Due to continuing repair and replastering work on the pool, Aquatic classes for Monday, August 26th, are canceled, and the pool remains closed at this time. We expect to reopen the pool early next week and will keep you informed.

Phone System

The phone system has been fully installed with the exception of a few common area wall phones. These will be replaced shortly. The last step in this process is the transferring of our existing phone numbers over to the new carrier. This is scheduled to occur next week. Once this occurs, recipients will once again see Dunwoody's regular phone numbers on their caller IDs.

Putting Green

We are happy to report that we have selected a contractor for the replacement of the Putting Green and have signed the construction contract. We expect this work to begin in September with an eight-week construction schedule.
