Dear Residents, Families and Staff:

We hope everyone enjoyed a very Merry Christmas! The strong community spirit and joy of the season is evident both inside and outside of Dunwoody Village. It is wonderful to see so many families and friends visiting Dunwoody Village. Our residents continue the celebration of Hanukkah with the lighting of the menorah which began on December 25th and will continue until January 1st at 5:30 p.m. each evening in the lobby outside of Fox Den. We wish everyone a Happy and Healthy New Year!

Our repair company is working on getting the parts they need for the repairs but the needed materials and permitting will take some time. We will continue to distribute more information as it becomes available.

Infection Control

Two Residential residents and one Care Center resident tested positive for COVID and are on quarantine. One staff member tested positive and is at home on isolation.
